Power surges can cause damage to your household appliances and sensitive electronic equipment. SECO has designed a program to assist you, the member, in protecting your valuable assets.

The basic package includes a service entry unit installed behind your meter and four surge suppressors used for your more sensitive electronic equipment.

YES, I want to take advantage of this excellent opportunity to protect my household. Please have a SECO representative contact me to complete the necessary paperwork.

NO, I do not want to take advantage of this program.

Sumter Electric Cooperative Membership Agreement

*The applicant has received a copy of the most current By-Laws which outline the responsibilities of the Cooperative and its members. In addition to complying with the contents of the By-laws, the applicant hereby grants to the Cooperative a right-of-way easement, pursuant to Article VII, section 2, to maintain an electric line, drop-off or system, with all necessary wires, poles and fixtures thereon, and to allow the Cooperative to have access to the right-of-way for maintaining, repairing and other functions necessary to the use and operation of said line, as well as to read the meter or to trim foliage trees and brush as may interfere with said line. The applicant further agrees to sign all documents necessary to record said right-of-way in the public record should the Cooperative so desire. It is further stated by the applicant that the applicant owns said property or had authorization to grant such right-of-way.*

Statement of Non-Discrimination

*Sumter Electric Cooperative, Inc., has filed with the Federal Government a Compliance Assurance in which it assures the Rural Electrification Administration that it will fully comply with all requirements of Title VI of the Civil Rights Act of 1964.*
